**Millwoods Community Church VBS Rules for Collaboration and Safety required by children and parents for the well-being of all those participating in or involved with the Millwoods Community Church VBS Camp:**

- 1) **Snack time:** No one will be allowed to eat food on the floor or on the stage. Everyone is required to sit at the tables.
- 2) **Washrooms:** We have observed through past experience that washrooms were treated, by some children, as a playground. For this reason, washrooms will be monitored on a continual basis and children will enter in one-by-one. If damage occurs, i.e., if doors are locked from the inside, or if washroom is damaged on purpose, the child responsible will be **immediately sent home** and will not be allowed to return the next day. Should the child cause damage upon his/her return, he/she will not be allowed to attend VBS until the next year and only at the discretion of the VBS Director.
- 3) Bring own **water bottle** (can be refilled anytime with water).
- 4) VBS Camp is an occasion to detach from electronic devices. **Cell phones, musical devices, headphones, i-pads or any kind of electronic games are not allowed to be turned on during VBS Camp.** Cell phones are to be used only to contact parents should a concern/issue arise, or at the end of camp to arrange for pick up. Millwoods Community Church is not responsible for lost or stolen items. Cell phones, etc., if used at other times of the day will be confiscated and given back at the end of the day.
- 5) We ask those who have problems with **asthma**, to please remember to pack your child's puffer in his/her backpack which they will have access to.
- 6) Snacks served are always nut free, however, if you child has other **allergies** i.e., milk, eggs, flour, etc., please provide your child with a snack that he/she can eat, and have them refrain from taking snacks distributed during Camp.
- 7) **Child pick up:** Due to the number of children attending VBS camp, parking becomes a safety issue with cars blocking doors and people looking for the most convenient spot. For safety reasons, and to help ease this process, we ask you to **please park your car in the church parking lot** and advise your children that you will pick them up inside. Volunteers will be stationed inside to wait with your children until you arrive.
- 8) **Bullying, strong tempers and behaving inappropriately:** Parents please remember that at Camp children play in teams most of the time, which can make physical and verbal contact more frequent than in a school setting. Children who behave inappropriately, i.e., yelling and/or bullying, etc., will be spoken to and the parent will be notified. If the behaviour continues, and the child is spoken to 3 times, the child will be sent home for 1 day. We want to keep a peaceful, joyful, respectful, and safe environment for all. Please help us in this role and remind your child about the importance of behaving appropriately and getting along with others. Your cooperation is greatly appreciated. Thank you.
- 9) **Other safety issues:** Please note: **Climbing** on stacked chairs, tables, stage is not allowed under any circumstances. Children who do so will be spoken to. Should the behaviour continue, after being spoken to 3 times, the child will be sent home.
- 10) Parents: If your child will need special care, please note we still accept him/her on the sole condition that one guardian will accompany the child during the day and for all activities.

Please read and review with your child the above rules and sign here to confirm that you understand and accept them:
